Summary

I am a **Full-Stack Developer** proficient in React and Node.js. I am a constant learner, working on personal projects during my time off to deepen my understanding of programming fundamentals and the web technologies that empower applications.

Why hire me? I know the technology and I'm a blank slate, without baggage, ready to learn your company's specific development tech stack and workflow.

Skills

Front-End: JavaScript, React, jQuery, CSS, HTML
Back-end: Node.js, RESTful APIs, PostgreSQL
Dev Tools: Git, Jest, Enzyme, Mocha, Chai, Test Driven Development

---

Recent Projects

Fancy Plants | https://github.com/pmnord/plant-management-react-capstone-client
- Designed and developed a responsive full stack React application with authentication. Users build and manage a virtual garden. Provides meaningful data from a dedicated Plant API.
- Technologies: React, Node.js, Express, PostgreSQL

'We Do' Issue Tracker | https://github.com/pmnord/todo-management-react-capstone-client
- Designed and developed a responsive full stack issue tracker in React. Provides teams with a kanban style board to track issues and see concurrent updates.
- Tech: React, Node.js, Express, PostgreSQL

Experience

Mediant Communications   Cary, NC
Client Services Manager   May 2018 – Apr 2019
- Oversaw services process from inception through delivery under strict deadlines to meet SEC regulatory compliance.
- Primary contact for client communication and issue resolution.
- Performed SQL queries and report generation.
- Implemented functions and tables in Excel for data wrangling and visualization.
- Created documentation of department standards and procedures.

Education

THINKFUL   2020
Engineering Immersion
- Learned industry best practices and practical software development standards with a focus on HTML5, CSS3, JavaScript, jQuery, Node.js, React, Redux, and algorithms & data structures.
- Created and deployed mobile-first applications while learning new languages and frameworks by collaborating several hours every week with a senior web developer.

Biola University
Bachelors in Political Science   2015
- Torrey Honors Society
- Graduated With Honors
